

Stony Echoes 1958

May 9, 1958

Dear Pills,

Well this year is almost over,
we have had a lot of fun to gether.
We have had a few misundersanden
also, but not for very long. I hope next
year will be as much fun as this
year was. Maybe we will be able
to stay out of trouble a little more.

I will never forget all the
times we stacked a certain person's
locker. I am going to get even
with you for stacking mine if it's
the last thing I do. (It will be)

I am sorry you couldn't come
to my slumber party, maybe next
time. You missed a lot of fun.

Remember all the fun we
had the night of the Layman Test?
And also your famous last words,
(almost). That night will stay with
me forever.

Don't forget the fun we have
had in Home Co. (I really like snow, don't
you). Well Lin. I haven't much more
room so I'd better stop. I print always,
Sharon Schroyer

Knucklehead
Linda,

Though I doubt if you ever make it through
high school, I give you my best wishes.

Dear Linda,
Well school is closing and a other year will
be thought, I hope you will have all the
happiness of rest of the school year. I hope
you have lots of luck in the future. I hope
all your problems will be small ones.

Remember all the good times we had
in S.H.S. Remember when we talk about
our troubles. I hope you get the job you
want. Maybe I get to see you in Taylorsville
this summer. and maybe we can go to
a show over to dinner. If you work down
there it won't be so lonely. I think
you are a sweet girl. and staid that way
Linda, because it will be alot when
you get out on your own. God Bless You

The Stony Echoes

Between the covers of this Stony Echoes '58 you will catch a glimpse of the students and the activities of good ole S. H. S.

Let this book serve as a bridge to the past, a reminder of the present, and bring joyful memories in the future.

THE CLASS OF '58

We, the Senior Class of 1958, wish to dedicate this annual to our coach, Mr. Dettro.

Mr. Dettro comes to our school with an outstanding record in basketball, and his ability is an inspiration to our team. His pleasant disposition has made him well-liked by all.

Senior Class History

On September 1, 1954, thirty-four green freshmen entered the halls of good old SCHS. Mr. Corby was our advisor for the year. At our first class meeting we elected the following officers:

President - - - - - BRENDA WHITLOW
Vice President - - - - - JOYCE HODGES
Secretary-Treasurer - - - - - NEDDA MOORE

Several of our boys were active in athletics and Sandra Wattlelet was elected to the second team cheerleaders. Sandra Wattlelet was the freshman attendant at the Homecoming. Nedda Moore and Brenda Whitlow were part of the Queen's court.

At the beginning of our sophomore year we had thirty students back to start our second year. Mr. Taylor was our class advisor, and our class officers for the year were:

President - - - - - ROGER COFFEY
Vice President - - - - - JOANN STOUT
Secretary - - - - - SANDRA WATTELET
Treasurer - - - - - BRENDA WHITLOW

Sandra Wattlelet was elected as a varsity cheerleader. Suzanne Swigert was sophomore attendant to the Homecoming Queen. Sandra Wattlelet and Brenda Whitlow were members of the Queen's court.

At the beginning of our junior year twenty-seven students were enrolled. Miss Morrissey was our advisor. We elected the following class officers:

President - - - - - NEDDA MOORE
Vice President - - - - - BETTY HODGES
Secretary-Treasurer - - - - - SUZANNE SWIGERT

Sandra Wattlelet was elected as a varsity cheerleader, and Nedda Moore was a second team cheerleader. Betty Hodges was junior attendant at the Homecoming. Carol Ware and Ruth Nation were part of the Queen's court. On October 5 we presented our class play, "Good Night, Ladies."

The Junior-Senior banquet and prom was held on May 4. Our theme was "Destinations Unlimited." We went to Nation's, Moore's, Taylor's, and Whitlow's for parties after the prom. We had breakfast in the woods. We went to St. Louis for our Junior-Senior trip. All of us took sack lunches, and we visited many places of interest.

Back for the final year came twenty-three seniors. Under our advisor, Mrs. Ducey, we elected the following class officers:

President - - - - -	SUZANNE SWIGERT
Vice President - - - - -	BRENDA WHITLOW
Secretary-Treasurer - - - - -	RUTH ELLEN NATION

Our activities for the year centered around the publication of the annual which the seniors sponsor. To make money for the annual we sold Christmas cards, and solicited advertising to appear in the annual. At the Homecoming we sponsored a cake walk, and a dance. The Homecoming was held February 21, following the basketball game with Findlay. The senior girls who were members of the Queen's court were Ruth Ellen Nation and Carol Ware. Nedda Moore was elected Queen.

Several of the boys from our class have been outstanding in sports. A number of our girls have been leaders in home economics and 4-H work, and several of the boys have been prominent in F.F.A. and agriculture.

Brenda Whitlow was selected by her classmates and the faculty to receive the D.A.R. Award which is given to a senior girl each year on the basis of citizenship.

On March 28, we presented our senior class play, "Kissin' Cousin."

The last few weeks of our senior year were full of plans for Junior-Senior Prom, Baccalaureate, and Commencement. As the final days of our high school career drew to a close we all remembered the good times we had at good old SCHS.

Senior Class Prophecy

In the western part of our great nation, in the year 1970, the years of scientific research and the result of much effort are being combined for future use. The long-awaited event is the launching of the first artificial planet known as "Pluteria." As "Operation S" (Suicide) unfolds, the lives of a great many people are afflicted, we mean affected.

The scene is the Mt. Adams Atomic Research Center named after the famous atomic physicist, Bob Adams.

News of the launching of "Pluteria" was released to the national presses by General Roger Coffey, the commanding officer of the research center. It has also been revealed that a long-time friend and a valuable co-worker at the center, Captain Ronald Taylor, will man the artificial planet in its outer space position. (The Captain did not volunteer for this task.)

Meanwhile, at a nearby mountain ski lodge owned by Nedda Moore and Suzanne Swigert, guests are flocking in from far and near to witness the history-making event. Carol Ware was the first person to arrive. Carol is now an internationally known figure in the field of fashion. She designs hats in Paris. Her award-winning creation resembled the Eiffel Tower. Next, arrived the former Cleta Wiseman, now the wife of a Texas oil tycoon. Her arrival is immediately followed by Dee Ann DeMichael. Dee Ann is the proprietress of DeMichael's "Pizza Palace" near Niagara Falls.

Working at the lodge is the entertainment world's latest singing sensation, the one and only Lonnie Lincoln, formerly known back in a small town as Lonnie Stivers. Lonnie's great talent was discovered by Suzanne . . . and Nedda. Also the world's ski champion, Betty Hodges is present as the lodge's ski instructor.

Meanwhile back at the Center, under the cover of the darkness, a mysterious form appears at a laboratory window. He is watching the eccentric scientist, Doctor Jarvis Allen, preparing secret formulas. As midnight approaches, Dr. Allen finishes his work and begins to leave. As he leaves, he is attacked and carried off in a laundry bag.

He is thrown into the back of a station wagon. After a short ride they arrive at the lodge. He is unsuspectingly carried in with the luggage and locked in a guest room. Dr. Allen quickly concludes that he has been kidnapped by foreign agents wishing to acquire his valuable secret formulas.

Unknown to Dr. Allen, however, his kidnapper was none other than Lonnie Stivers. Lonnie has been hired by Suzanne and Nedda to abduct the doctor. Due to his eccentric behavior, he would not attend the class reunion being planned by Nedda and Suzanne, that is, unless he was "persuaded" to attend.

Also on the way to the lodge are Joyce Hodges, Ruth Nation, and Brenda Whitlow. These girls are, coincidentally, working for the same newspaper. Joyce is dabbling in astrology, Ruth is writing advice to the lovelorn, and Brenda is a fashion reporter. Tom Marucco is there for business as well as the reunion. He is a member of the Secret Service and has been assigned to safeguard "Operation S." Kenneth Spires and Minor Dishon arrive from their nearby experimental "Hampshire Haven." Theirs is the largest hog farm in the world. Tom Watson, now an important executive at Universal Motors in Detroit, has taken time off from designing the "Wonder Car." This car is equipped with radar and is positively guaranteed to stop at all railroads.

Unfortunately Joann Stout could not be present. Joann runs a girls school in Florida and could not leave her girls. Charles Grant could not leave his store in New York, which specializes in space equipment, due to the recent increase in business. This also explains the absence of Patricia Everlen, who is Charles' head clerk, and Kent Clark who models cosmic ray-proof vests in Charlie's store. Jerry Spcikard and Mack Smith are now quite famous court reporters. Their training in shorthand became quite valuable.

The three-day reunion turned out to be quite a success. However, it was a little sad to say goodbye once more to all the old friends from S.H.S.

In case you're wondering--the launching of "Pluteria" was cancelled indefinitely. It seems Tom Marucco wasn't up to par and there came about quite a mix-up in Dr. Allen's formulas for atomic fuel and Dee Ann's pizza recipes.

Senior Class Will

We, the Seniors of 1958, being of small body and no mind, declare this our Last Will and Testament.

To the Board of Education and Faculty, we leave peace and quiet.

To the Juniors, our good habits and behavior.

To the Sophomores, we leave our grades so they may improve them.

To the Freshmen, we will our ability to get along with each other.

- I, Bob Adams, will my smiles to Roy Sims providing he uses them to a good advantage.
- I, Jarvis Allen, will my hot rod driving to Gene Hurelbrink provided he keeps my reputation.
- I, Kent Clark, will my manly physique to Cecil Chesser.
- I, Roger Coffey, will my flat top to Coach Dettro. Then maybe the girls will notice him.
- I, Dee Ann DeMichael, will my quietness to Carolyn Schowska because she needs it.
- I, Minor Dishon, will my 'bold' manner to Wayne Dortch who, although he doesn't need it, will fully develop it.
- I, Pat Everlen, will my Social Studies to no one.
- I, Charles Grant, will Aggie to the hoot owls.
- I, Betty Hodges, will my freckles to anyone who will take them.
- I, Joyce Hodges, will my intelligence to Deloris Downs so that she may get on the honor roll.
- I, Tom Marucco, will my basketball suit to Phillip Beck providing he grows taller.
- I, Nedda Moore, will my ability to play softball to Carolyn Rufty if she promises to strike out every other time.
- I, Ruth Ellen Nation, will my car to anyone who can afford to buy gas for it.
- I, Mack Smith, will my horn to anyone who thinks they are windy enough to blow it.
- I, Jerry Spickard, will my talking ability to Richard Myers if he asks at least five questions in each class.
- I, Kenneth Spires, will all my old girl friends to the freshman boys.
- I, Lonnie Stivers, will my whiskers to Fred Letcher providing he shaves only once a week.
- I, Joann Stout, will my diamond to anyone who thinks they can get it away from me.
- I, Suzanne Swigert, will my sore toes to Miss Morrissey providing someone steps on them at least twice a day.
- I, Ronnie Taylor, will my ability to get along with teachers to Jim Colbrook.
- I, Carol Ware, will my ability to go steady for at least a year to Nancy Allen.
- I, Tom Watson, will leave quietly and peacefully.
- I, Brenda Whitlow, will my red hair to Susie Buis if she promises not to get it cut.
- I, Cleta Wiseman, will all my aches and pains to anyone foolish enough to take them.

"Her Kissin' Cousin"

Senior Class Play

It looks like a wonderful summer for Jenni and her teenage friends - Jodie and Bruce; Mollie and Harry. Jenni isn't especially interested in anyone, as a matter of choice. Then there is Tom, who is a little shy, and who is a friend of all of them.

This cozy arrangement is disrupted when sweet-talking Lucy Lee, from South Carolina, arrives for a visit with her "kissin' kinfolk" up North. Even Tom is smitten, and the girls decide to make him more attractive for Lucy so that their boy friends will be safe. Of course, Jenni then decides Tom is the one boy she has been waiting for. Randolph arrives from Lucy's home town, and in a fit of temper Lucy announces her engagement to Tom, much to the surprise of everyone including Tom. Things turn out happily for all, however, and it proves to be a wonderful summer.

Homecoming

The Ninth Annual Homecoming was sponsored by the Stony Echoes Staff on February 21, 1958.

Each class nominated three girls to represent their class in the coronation ceremonies. From these twelve girls the student body selected a Queen and three Attendants; the other girls were the Queen's court. Beverly Tebo played the processional and recessional, and Kenneth Spires announced the girls and escorts.

Following a trumpet salute by Mack Smith, the coronation ceremony began with the entrance of Lauralu Griffith, 1957 Queen, escorted by Bob Adams. Then came the girls of the Queen's court with their escorts, followed by the special Attendants who preceded Nedda Moore, 1958 Queen, escorted by Roger Coffey.

Special Attendants to the Queen were Carol Wingler, Junior, escorted by Tom Bollinger; Delores Wright, Sophomore, escorted by Richard Thompson; Vickie Buchanan, Freshman, escorted by Gary Brown. Debra Swigert was the flower girl, and Glenn Nation the crown bearer.

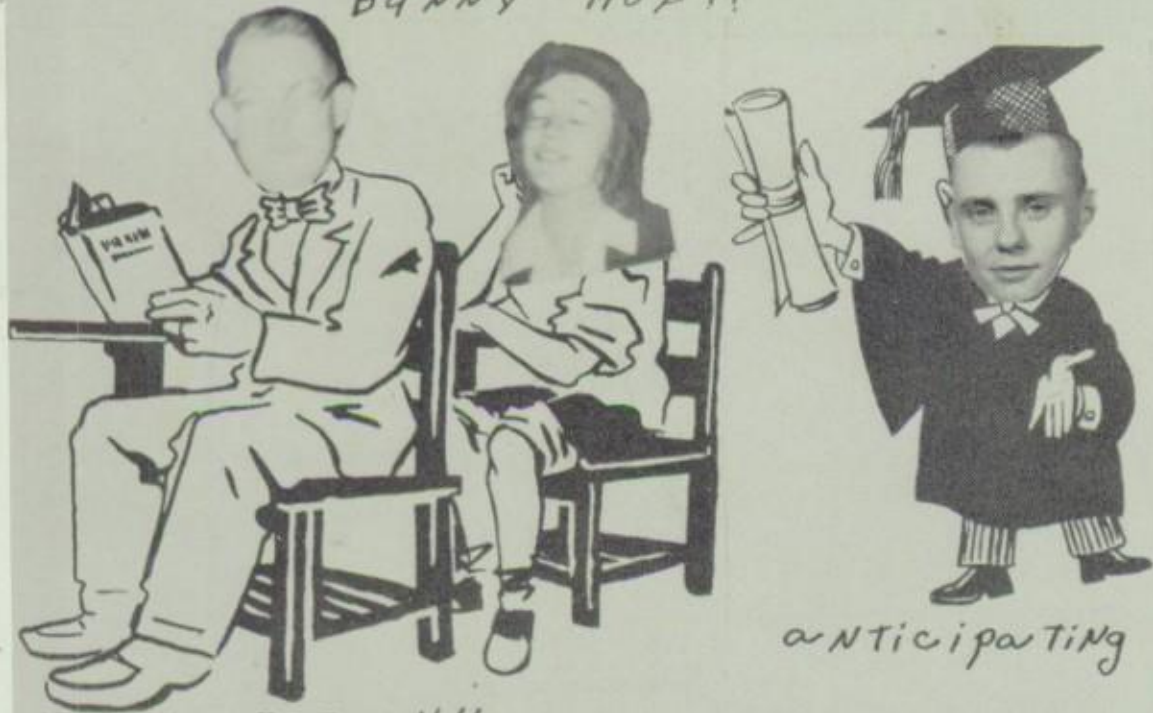

Other members of the court were Kathy Doyle escorted by Bill McChristy, Mary Ann Woods escorted by Bruce Robinson, Sharon Brown escorted by Jarvis Allen, Janet Pollock escorted by Gene Hurelbrink, Nancy Allen escorted by Donald Kramer, Marilyn Miller escorted by Charles Ray Hudson, Ruth Nation escorted by Leslie Nolan, and Carol Ware escorted by Lonnie Stivers.

Signs of PROGRESS

One important kind of progress that the 4-H Clubs and the Future Farmers of America foster is progress in *community cooperation*.

On that score, our local farm youth organizations can count *us* in. We are always ready to cooperate with them – and with their individual members.
